**Attachments:** EBMUD Centennial Resolution for Legislators 3-20-23 final.docx

Dear Ms. Gantt,

The East Bay Municipal Utility District (EBMUD) is celebrating 100 years of serving the East Bay in 2023. We are inviting the City of San Pablo to commemorate this event with an official resolution to be presented to our Board of Directors on **Tuesday, May 23, 2023**. These resolutions will be displayed in our Administration Building throughout our centennial year. Attached is the language that our Board will adopt in our resolution on May 23 that you might find helpful in crafting your document. We request that resolutions be sent to EBMUD **by Monday, May 8, 2023**. Please see address below.

The City of San Pablo and EBMUD have a cherished water history together and EBMUD would be honored to have the San Pablo City Council celebrate with us by recognizing the impact that EBMUD and San Pablo have had on the growth and development of the entire East Bay Area. We hope you will join us in celebrating this incredible milestone. Should you have any questions, please contact Joe Voelker, Community Affairs Representative, using the contact information below.
